

# Get busy with Blackcurrants

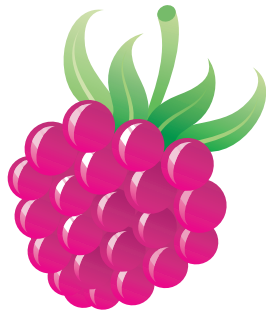

KS1 year 1 homework

## Fruity Fun out of school!

Being dragged round the supermarket at the weekend can be boring. But next time you go why not make it more fun by looking out for different types of fruit in different forms that you can buy?

Write them down on the shopping list opposite.

Great! Now add them to the rainbow in your classroom when you get back to school!

## My Special Fruity Shopping List...

*Blackcurrant juice*

*Blackcurrant jam*

*Blackcurrant cheesecake*

Blank lined area for writing a shopping list.
