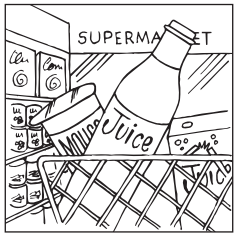
Get busy with Blackcurrants

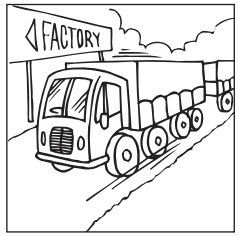
KS1 Year 2 activity sheet 3

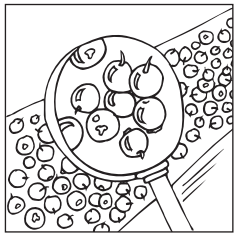
I can sequence the life of a blackcurrant!

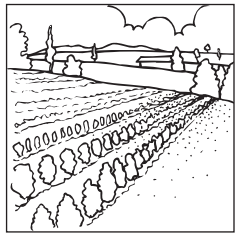
Hello, blackcurrant! How did you get here?

Exercise 1: Look closely at the pictures. Are they in the right order of events? If not, what order ***should*** they be in?

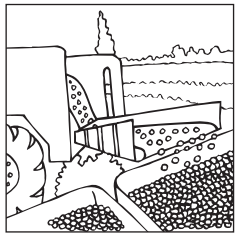


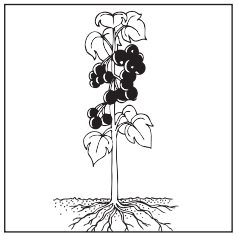


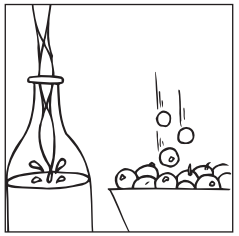




I am part of a bush that is planted in a row with other blackcurrant bushes.







Exercise 2: Imagine you are a blackcurrant. Write what is happening to you in each picture in the spaces provided. We've already written one to show you how it's done!

Exercise 3: As they grow, blackcurrants change from green to red to purple. Look at the pictures again. Can you see which berries should be which colour? Great! Colour the berries in with green, red and purple pencils or crayons. Now colour in everything else.

Exercise 4: Make a 'currant cartoon' – cut out the pictures and stick them onto a piece of paper in the right order.
